THE EU REFERENDUM & UKIP

Prime Minister David Cameron has promised to renegotiate Britain's relationship with the EU and then to hold an in/out referendum on future membership.

The Conservatives are committed to this if they are returned with an overall majority in 2015. Supporting the Conservatives on 2nd May this year is a vital first step towards making that happen. A vote for anyone else, ironically even for UKIP, will only strengthen those who would deny us that referendum.

JAMES SAYS

I've tried to meet as many of you as I can over the last few months. It is clear that we deserve better than we have had in Downlands over the past four years - we still see potholes on every road, development threatened on every green field. I voted in February to freeze Council Tax across Winchester - I will do the same for the whole of Hampshire if elected on May 2nd.

I understand what the people of Winchester need from their City. As a City Councillor, I am well-placed to fight for you on the County Council. The choice is clear on May 2nd - vote for a local campaigner who will bring new energy to this vital job. Vote for James Byrnes on May 2nd.

VOTE FOR JAMES BYRNES ON MAY 2ND

James Byrnes is an established City Councillor, who has lived in Winchester since childhood and works as a Prison Officer.

As the County candidate with experience of living in more than one part of the division, he understands that the needs of Headbourne Worthy, Harestock, Littleton, Crawley and Sparsholt can be different from those of Olivers Battery, Badger Farm, Compton, Otterbourne, Shawford and Hursley.

Local MP Steve Brine said this about James: "James is a different kind of Conservative and would be a breath of fresh air if elected. Together with Conservative City Councillors Keith Wood, Mike Southgate and Jan Warwick, we could form a strong local team for the Downlands area".

GETTING IT RIGHT

James is working closely with Council leaders (at both City and County Councils) as well as local residents to do the right thing for Bushfield Camp. James said: "The decision on development here is looming large - it is important that you elect a County Councillor who can work with the leadership of both authorities and fight your corner. I work with Cllrs Keith Wood and Ken Thornber on many issues and Bushfield Camp is always high on our list of priorities."

YOUR PRIORITIES ARE MY PRIORITIES

- 1. James is the only candidate to pledge not to claim any expenses from the taxpayer if elected, matching his commitment when elected to the City Council and ensuring you get the best value out of your Councillors.**
- 2. As the candidate who has lived at both ends of division, James is best placed to understand the issues you face in your corner of Winchester, and how to fight for your interests.**
- 3. As a member of the Barton Farm Forum, James is in a position to help get the best outcomes for local residents when it comes to development, from Barton Farm down to Bushfield Camp.**

MOTORWAY NOISE

James continues to work with local MP Steve Brine and Cllr Mike Southgate to keep motorway noise down.

James will work with local councillors and our MP to tackle noise from the M3 motorway. James said: "Many of you live within earshot of the M3 - it is important that resurfacing is carried out in a timely manner but this will not be easy. The Conservative team are not going to let this drop, if I become county councillor for this area, I will do everything I can to ensure Hampshire County Council gets right behind our campaign."

James checks out the noise from the M3
