## THE EU REFERENDUM & UKIP

Prime Minister David Cameron has promised to renegotiate Britain's relationship with the EU and then to hold an in/out referendum on future membership.

The Conservatives are committed to this if they are returned with an overall majority in 2015. Supporting the Conservatives on 2nd May this year is a vital first step towards making that happen. A vote for anyone else, ironically even for UKIP, will only strengthen those who would deny us that referendum.

## IAN SAYS

Having lived and worked in Winchester all my life and with my family's roots going back many generations in this wonderful City, I feel immensely proud to be standing for election to the County Council. Through my 14 years on the City Council, I understand how to get things done and am not afraid of hard work.

I am outspoken and determined to speak up for all residents and want to feel the people can come to me for advice and support knowing that I truly care about their problems. I may not have all the answers but I am very willing to help.

## VOTE FOR IAN TAIT ON MAY 2ND

Ian is a life long resident of Winchester and was educated at the local schools in the Fulflood area.

He is now one of the longest serving and most experienced City Councillors and leads Winchester's new Council House building programme. Heavily committed to the community as a school governor and trustee of a number of charities and other organisations, Ian is determined to bring energy and vigour to the County Council.

Local MP Steve Brine and Ian work extremely closely together. If you are looking for a strong and independent approach to local politics please support Ian on the 2nd May.

## LOFT CONVERSIONS

### Get thumbs up from Residents

In the last InTouch, we featured the City's plans for loft conversions for our Council houses. Many residents have responded to the article so Ian is working with the Council to speed up the programme. Interestingly, it wasn't only council tenants who supported the idea but other locals who felt that it made very good sense.

## PLANS FOR SCHOOL PLACES

Residents are concerned about the expansion of St Peters and the proposals for the all-through school at Westgate. While they support the extra school places, they worry that these plans will cause significant additional traffic disruption for our already heavily congested roads and so Ian is determined to work constructively with Highways Officers to improve the arrangements. Although it is late in the day, there is still scope to improve the traffic management plan.

## YOUR PRIORITIES ARE MY PRIORITIES

1. Improving the state of our roads and pavements and ensuring that they are well maintained through all weather conditions and kept clear of litter.
2. Reviewing the parking arrangements across the whole of the Westgate Division to ensure that our residents can feel they have a chance to park close to home.
3. Ensuring that we deliver good quality affordable housing for our young people and that we make proper provision for housing aimed at our older citizens.
